Cowboy Mounted Shooting of Montana is a sanctioned club associated with the National Cowboy Mounted Shooting Association. Otherwise known as the Treasure State CMSA where contestants of many different skill sets compete in an exciting horseback timed event, using two 45 caliber single action pistols each loaded with five rounds of certified blank ammunition. The competitor manages a pattern of inflated balloons where speed and accuracy are key. The Treasure State CMSA offers multiple Competitions, practices and clinics throughout the 2024 season.

What we are most proud of is our scholarship program we initiated three years ago where we have awarded \$17,000.00 to our college students associated with our club. We also have a strong healthy program initiated with our younger kids (under 12) where they compete horseback as well without ammunition but must follow the same patterns. Additionally we partner with local 4-H clubs, sport and youth groups throughout the state including The Young Marines and Cadets of the Air Force to set our balloons throughout the season.

To draw competitors and fans to our 2024 season we'll be bringing back Northern Ag Network professional rodeo announcer Andy Schwab who will be highlighting all sponsors for our 6-weekend 3rd annual "Ziggy's" Buckle Series starting April 27th in Townsend MT and ending September 15th in Twin Bridges MT. We are also hosting 3 clinics throughout the state with 3 different multi world and national champion clinicians. We will once again host our "Rib & Chop House" State Championships in Deer Lodge as well as the "Murdoch's" North Mountain Regionals in West Yellowstone. Our largest event will be hosted at the Northwest's largest premier event center, The Majestic Arena in Kalispel MT. Where we've partnered with The Kalispel Auto Group offering \$10,000.00 in added prize money August 10-11 drawing competitors and fans from multiple states.

None of this can be accomplished without Local Support as we travel throughout the State as we travel and compete at the fairs and rodeos in 2024. All of our sponsors will receive state-wide recognition on all of our posters, Website, Facebook page and Banners. We are a 100% tax deductible 501 (c) (3) non-profit organization. Please see the details on how to get involved on the right.
